

## Remember When ?

- *All the girls had ugly gym slips*
- *It took five minutes for the TV to warm up*
- *You'd reach into a muddy gutter for a penny*
- *No one ever asked where the car keys were because they were always in the car in the ignition and the doors were never locked*
- *Spinning around, getting dizzy and falling down was cause for giggles*
- *When being sent to the headmaster's office was nothing compared to the fate that awaited you at home*
- *Decisions were made by going 'Eeny-meeny-miney-moe'*
- *Catching tadpoles could happily occupy an entire day*
- *Having a weapon in school meant being caught with a sling shot*
- *Cigarette cards in the spokes transformed any bike into a motorcycle*
